## ANNUAL COST

The College is committed to subsidising the cost of the private bus service. For 2024 the annual subsidised cost (including GST) per student is \$1,050, equal to \$5.77 per day.

All costs are an annual fee and will be charged **per student**, per bus, including shuttle only services. Bus fees will be invoiced to your Education Fee Account. Bus passes will be issued to permanent full-time travellers. For Private Bus travel, families must submit a Conveyance Allowance application at the time of completing the Private Bus and/or Shuttle Service application. ***The Private Bus Travel Conveyance Allowance is retained by the College.***

The College will use Conveyance Allowance funds received from the Department of Education to reduce the cost of the Private Bus Service for the for families. All student travellers must apply for the Conveyance Allowance and authorise the College to retain the allowance. This assists the College to continue to subsidise the cost of the Private Bus Service.

**It is a College expectation that education fee accounts are up to date upon applying for the bus service.**

## STUDENT CARDS

Student cards are issued to all students and used as your child's student bus pass to tap on/off the school bus. Your child's allocated bus/shuttle **WILL NOT** be displayed on this card.

### Ways to ensure your Child remembers their allocated bus/shuttle number:

- Download the Ventura Tracker App on your mobile phone and save your allocated bus/shuttle as a favourite. Please see the [bus track brochure](#) for information and instructions on how to download the App.
- Place a sticker on the student card with the bus/shuttle number.
- Save your child's bus/shuttle number in a safe place they can access.

## REPLACEMENT CARDS

If a student has misplaced or forgotten their student card, they can request a temporary pass during recess or lunch time from Student Services.

In the afternoon, if student is unable to produce either a temporary pass or regular pass as they are boarding the bus, they will not be allowed to board the bus. Students will then be instructed to go to Reception/Student Services to call parents/guardians to arrange an alternative way home.

If a replacement student card is required, a signed note from the parent/guardian and \$5.00 needs to be submitted to Student Services or ordered online via CDF pay, [shop.sfx.vic.edu.au](http://shop.sfx.vic.edu.au). A new student card will then be issued to the student.

## SIMON EVERYWHERE APP – PAM APP

Notifications will be made to the SIMON Everywhere App, including notifications about late running buses, disruptions to the GPS tracking and bus breakdowns/delays. All notifications to the AM and PM service will be sent via the SIMON Everywhere App.

The *SIMON Everywhere* App can run on Android and iOS devices. **It can be downloaded from the Apple App Store and the Google Play Store.** Full details regarding the installation process can be found in PAM under *Knowledge Bank / Parent Information / SIMON Everywhere App*.

## VENTURA BUS TRACKER APP

Whilst every effort is made to ensure students arrive to school at the advertised times, drivers do encounter challenges, e.g., traffic congestion, roadworks, weather, break downs, etc. Ventura has an interactive private school maps and times App to track our private bus service.

Ventura Tracker uses GPS technology to track each school bus. Schools, parents and students can access this information via the APP or Ventura Website to view where the bus is, the route the bus will take, the designated bus stops, and the times for each stop (Scheduled, Actual, and Departed). The College can also track each student's use of the bus through a touch on/touch off system.

**Download the Ventura Tracker App via Google Play or App Store.**

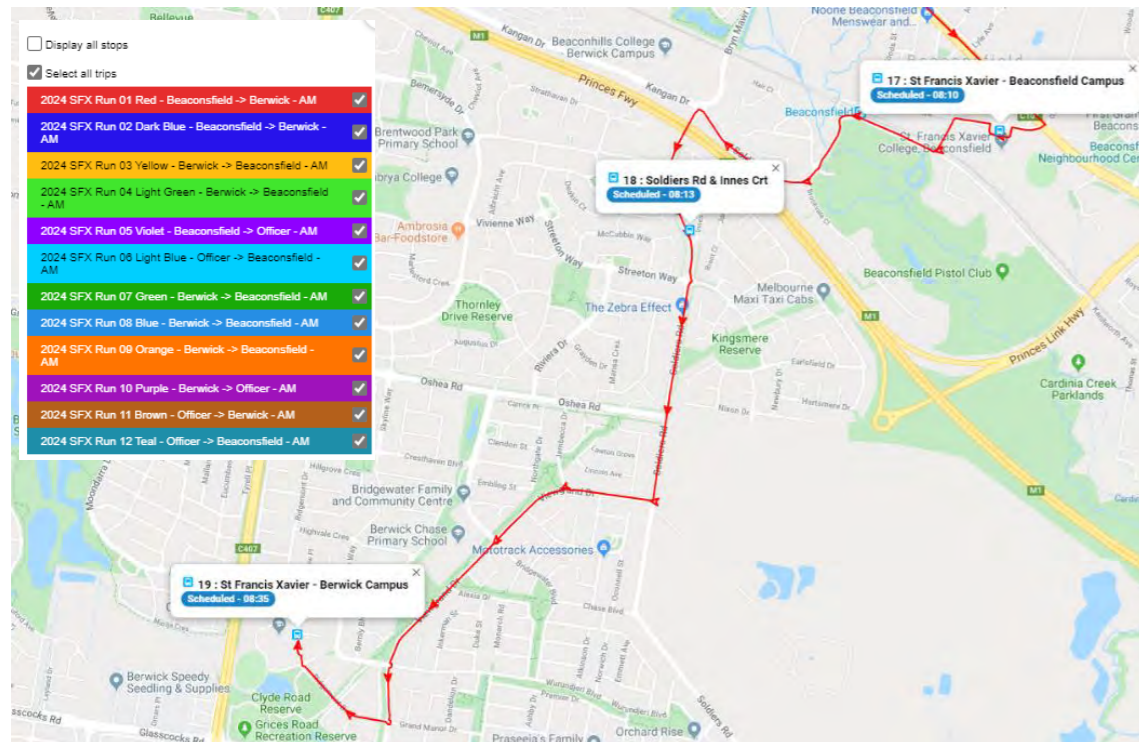

## SHUTTLE ONLY SERVICE

The College offers a shuttle service from which travels from campus to campus only. Please refer to the outline below. Page 7.
